Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Item 7 - Other reasons for holding abandonment: A final rejection was issued in this application on 8/7/07. At the three month date applicant submitted an after final amendment which was entered, and an advisory application indicating that the application was not in condition for allowance was mailed 12/3/07. Applicant subsequently filed a supplemental after final amendment, but did not file a notice of appeal. No action was taken regarding applicant's supplemental after final response received 1/10/08, and the statutory six month deadline from the mailing of the final office action has passed. On 3/24/08 Brian Amos from Cooper and Dunham confirmed that no notice of appeal has been filed in this application and that it is therefore abandoned. Mr. Amos also indicated that a petition to revive the application will likely be submitted in due course. Since six months have elapsed from the time of mailing of the final office action and no notice of appeal or request for continued examination has been filed prior to the six month date, the instant application is hereby abandoned.
